Dear Mr. Liu:

I am writing this letter to express my satisfaction with the experience I had in working with you and your team. From the first meeting to discuss my options, your knowledge of the latest equipment and potential ideas, along with your enthusiasm and clear desire for superior results and customer satisfaction made AVS an easy choice. My impression of AVS was not comparable to another company that I met with - which seemed unfamiliar with what I was looking to accomplish and offered few ideas and recommendations.

The planning and pricing process was very thorough and professional. I appreciated meeting with the project manager and engineer to go over everything. The installation was completed in full and sooner than the time allotted.

Thank you again for the great service. I am enjoying all of the equipment. I will certainly continue to recommend AVS. Please feel free to use me as reference.

Sincerely,

Scott Atwood
