Dear George

Thank you for your company's considerate, courteous help in replacing my damaged power amplifier.

As always, I found your staff courteous, knowledgeable, enthusiastic and a real pleasure to deal with. Warm thanks to Chris & David for their excellent advice.

Having been recommended to you 7 years ago I purchased a Linn audio system; returning to you I knew I would receive superior service and was not disappointed. I was so grateful that you would go so far as providing a loan amp while you assessed the cost of repair to my equipment. Not only that, but also arranging a free home trial of the latest Linn product!

This just proves the value of dealing with a specialist store geared to lovers of fine sound. You paid as much consideration to me, needing only a power amplifier as if I were buying whole home entertainment installation.

***Where else these days can you get such great service!***

I would strongly recommend those seeking the best quality in home entertainment solutions to use Audio Visions South. In my opinion Tampa Bay's premier company in this field.
